Re: *United States v. Jamil Bouchareb*  
Case No. 09-CR-00463

Dear Judge Marrero:

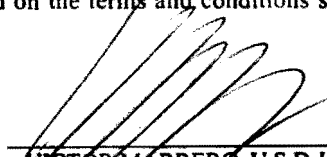

We are writing to request permission for Defendant Jamil Bouchareb to travel liberally upon the start of his Supervised Release on November 4, 2013. Mr. Bouchareb's Probation Officer Charisse Garcia has stated that she has no objection to this request. She states that Mr. Bouchareb has been fully compliant with his conditions. We have also communicated with Assistant United States Attorney Eugene Ingolia, the assigned prosecutor to the case, and he has no objection. Mr. Bouchareb traveled at least ten prior times while on pretrial release. He never had any issues and always reported immediately upon his return.

In addition, Mr. Bouchareb seeks permission for self-employment through his marketing company German Corp., LLC that has been open since January 2009. There are no restrictions in his Pre-sentence Investigation Report or in the Judgment and Commitment Order as to self-employment. Mr. Bouchareb's Probation Officer Charisse Garcia and Assistant United States Attorney Eugene Ingolia have stated that they also have no objections to this request.

Please do not hesitate to contact me with any questions or concerns.

Respectfully Submitted,

Lilly Ann Sanchez

Request GRANTED. The bail conditions of defendant <u>Jamil Bouchareb</u> herein are modified to authorize <u>self-employment and relaxation of travel restrictions</u> for the purposes and on the terms and conditions set forth above.	
SO ORDERED.
